

Dockets Management Branch (HFA-305)  
Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

**I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.**

COMMENTS: I do not like my medication  
Choices limited to commercially manufactured  
drugs "One Size Fits all." I have individual  
needs & I want my prescriptions formulated  
to those needs. Please do not take  
these Choices away from so many of us who  
want & need this unique service that  
Madison Pharmacy offers.

Thank You
